Quaid-i-Azam

Muhammad Ali Jinnah said:

“Education is a matter of life and death for Pakistan. The world is progressing so rapidly that without requisite advance in education, not only shall we lag behind others but may be wiped out altogether.”

1947, Karachi

Madar-i-Millat

Mohtarma Fatima Jinnah said:

“Woman occupies an exceedingly important place in the world. In view of her capabilities, the nature has assigned vast duties to her. If you failed in them, you will not only harm your individual-self but also severely hurt your collective life.”

April 1949, Lahore

* It is a matter of immense pride that she inaugurated Jinnah Islamia College, Sialkot by visiting here in 1951.

I am really delighted to welcome the aspirants of higher education at Govt. Jinnah Islamia Graduate College, Sialkot. It is one of the historical and leading institutions of Punjab.

Higher Education Department is serving the nation by producing scholars, researchers, administrators, legislators, scientists and doctors to serve this nation squarely.

Knowledge is the only tool for social transformation, intellectual growth and economic development. This department is concentrating on spreading education to the growing generation to fully make it adequate to modern era. Our colleges are trying hard to shape the youth in their growing years and introduce them with values that would govern all their choices in life. HED aims at imparting a complete and quality education to the youth, not only by way of high academic standards but also by developing all capable faculties. For this purpose, a system of faculty development and academic training has been devised by the department.

I, therefore, sincerely desire from new students to devote themselves wholeheartedly to achieve the best academic standard, coupled with finest character. I wish them a successful life.

Syed Javed Iqbal Bokhari

Secretary

Higher Education Department Punjab

Dear Students!

Assalaam-o-Alaikum,

I warmly welcome you to this historical institution on behalf of my administration and staff from the core of my heart. The aim of my colleagues and even myself is to devote ourselves to excel in teaching, learning and leadership among leading institutions of the town. This is a wonderful place for talented youngsters from diverse backgrounds to study and achieve success.

I am extremely fortunate that my predecessors have already set the stage for further development and take new initiatives. In this regard, **Bachelor in Science (FYDP)** at undergraduate level was started in 2019 in four disciplines, namely, **Botany, Chemistry, Economics and Islamic Studies**; affiliated with **University of the Punjab**. A major change in culture of college was also initiated when co-education was offered at undergraduate level. In 2020, six more disciplines were added i.e. **English, Mathematics, Physics, Political Science, Urdu and Zoology**.

A variety of development work is also underway which includes repair, maintenance and renovation of computer lab, class rooms, main hall, staff room, general offices, and moreover, revival and renovation of college library. A new auditorium has also been furnished with the support of Pak Army. This Fatima Jinnah Auditorium was inaugurated by Honourable Minister for Higher Education **Raja Yassir Humayun Sarfraz**, on December 9th, 2020.

I look forward to work together with the Punjab Higher Education Department and the local leadership in further strengthening the service of this college to our society. Your ideas are always welcome, and I urge you to contact me with any suggestion you may have, for the advancement of the college, in the present and future.

Best wishes!

**Principal's
Message**

A Brief Introduction of the College

Govt. Jinnah Islamia Graduate College Sialkot owes its existence to sublime ideals and philanthropic approach on the part of Anjuman-i-Islamia, Sialkot in response to the divine injunction regarding imparting education. This prestigious institution is situated amidst the hub of medical activities, flanked by thickly populated area outreaching cantonment and suburban areas of Sialkot. Since its inception, this college has lived up to the expectations of community and contributed to the realization of its pioneers' dream of making this Muslims sponsored educational institution a living reality.

This institution which took about 12 toiling years in assuming its existence and becoming a unique entity on May 4, 1951 was graced and inaugurated by **Madar-i-Millat Mohtarma Fatima Jinnah**. The college was nationalized in 1972 under the Nationalization Policy and is catering the academic needs of the students of Sialkot ever since. Owing to academic excellence within three years of its inception, the college was affiliated with **University of the Punjab**. The construction of new building of college was started on August 16, 1955.

INAUGURAL CEREMONY [4TH MAY 1951]

The Motto of this College derives its essence from a partial verse of Sura Ta'ha

Motto

in the Holy Quran which asserts to seek knowledge.

In the insignia of the college whitish background symbolizes hope, Flambeau is the representation of the pursuits of knowledge, Green belt below and the clusters of wheat symbolize the fertile land of the Punjab, the bottom of insignia with five blue lines indicates five rivers of Punjab, Two minarets of the fort of Sialkot symbolize the past glory and dignity of the city Sialkot and in the center of the insignia open book, crescent and star symbolize Islam and the Ideology of Islam.

The philosophy behind naming this historical Alma-Mater as Jinnah Islamia College Sialkot is to pay tribute to our great leader and benefactor Quaid-i-Azam Muhammad Ali Jinnah for his day and night untiring efforts for the creation of Pakistan.

Mission Statement

The mission of Govt. Jinnah Islamia Graduate College, Sialkot is to provide innovative educational environments, opportunities, and experiences that enable individuals, communities, and the region to grow and prosper. The mission of this college is closely linked with education goals of Punjab Higher Education Department. Briefly stating, college is endeavoring to achieve its mission and purposes by following objectives.

- To provide environment conducive to both learning and teaching aptly compatible to the seething demands of the day.
- To provide quality education in a peaceful academic atmosphere.
- To facilitate the students access to the field of research and scholarship.
- To cater the academic needs of the students.
- To foster integrity, tolerance and human values among the young students.
- To promote religious and moral values among the architects of the nation.
- To promote and strengthen patriotic feeling for our motherland.
- To groom and train the students on healthy and decent tracks.
- To continue the process of infusing Islamic spirit in the budding youth and ensure personal growth of its Alumni.
- To promote the ideas of Quaid-i-Azam Muhammad Ali Jinnah and Madar-i-Millat Mohterma Fatima Jinnah.

The Faculty of Science at Govt. Jinnah Islamia Graduate College is an all pervading discipline reaching out five basic sciences. It offers multi disciplinary courses to cater the growing demand in

energy, industrial, information technology and health sciences. It lays emphasis on establishing competitive environment to meet the growing need of the day. All efforts are being made to prepare graduates keeping in view the market needs both at home and abroad. Currently this college is offering admissions at intermediate level in the following departments.

- Department of Computer Sciences
- Department of Chemistry
- Department of Physics
- Department of Biology
- Department of Mathematics
- Department of Statistics

Furthermore, the College offers BS Four Year Degree Programmes (BS-FYDP) in following six disciplines:

- BS Botany
- BS Chemistry
- BS Information Technology
- BS Mathematics
- BS Physics
- BS Zoology

Department of Computer Science

Rapid intellectual advancement in artificial intelligence over the past fifty years have created a new field of intellectual endeavor, called Computer Science. The study of computer technology at Govt. Jinnah Islamia Graduate College, Sialkot provides solid theoretical and practical foundations by offering challenging courses designed by leading experts. Students are

also provided hands-on training by deploying cutting edge technologies and they are groomed to think independently to provide solutions to the emerging demands. At this stage, the department is offering HSSC level course in ICS and Bachelor Studies in Information Technology.

Bachelor Studies in Zoology

Four-year Degree program in zoology was inducted into the academic spectrums of this college in 2020 with a view to providing the aspirants around a future opening in the field of Genetic, physiology, Ecology, Developmental Biology, Microbiology, Fisheries and Wildlife etc. On Social Strata graduated zoologists shall be able to play their productive role in the field of human resource development, food security, environmental conservation, Sustainable development and ultimately in alleviation of poverty.

Department of Chemistry

Chemistry is the science of change; it discusses the basic properties of substances and the many transformations they undergo. A chemist finds solutions to scientific challenges and contributes to the development of new technologies. Chemistry plays an integral role in today's scientific endeavours; increasingly has become interdisciplinary and focuses on fundamental scientific problems on the chemical

nature of matter. The department provides an environment where the students at intermediate and undergraduate levels can explore, discover, and learn about the chemical nature of the universe. It offers outstanding opportunities for the students to explore the exciting world of chemistry and develop communication and problem-solving skills needed for success in their careers and personal growth. The students are encouraged to enrich their educational experiences beyond the classroom by engaging in research projects with faculty. Currently, this department is offering study course to F.Sc.(Pre-medical & Pre-Engineering) as well as undergraduate students for BS (FYDP).

Bachelor Studies in Chemistry

FYDP in This Central Science was commenced in 2019; with a view to enabling the students get plugged with technological developments specifically physical and biological Sciences. The study of Chemistry has diversified openings as far as professional scope is concerned. All graduates can find their way in Biochemistry, Chemical industry, food industry, fertilizer and cement industries, Glass ware, pharmaceutical Petrochemical, Agrochemical, medicine, textile, explosives relating to defense industry and metallurgy. The four year program at Govt. Jinnah Islamia College affiliated with University of the Punjab has special emphasis on commercial and industrial application of Chemistry and actively promotes participation of students in related emerging industries.

Department of Mathematics

The motive for study of Mathematics is insight into the nature of the universe... *“Literature develops emotion, understanding and sympathy; mathematics develops observation, imagination and reason”.*

Department of mathematics at this college is profoundly providing the students of BS and intermediate an environment where students can learn and acquire competence in the theory and application of mathematics. A team of dedicated and learned mathematicians is striving hard to prepare self motivated individuals who may carve out an enviable status in their practical life besides constituting an asset for technological advancements in the country. Currently, department is offering course of Mathematics to our F.Sc. (Pre-Engineering & Pre-Computing) as well as undergraduate students for BS (FYDP).

BS Mathematics

Bachelor of Science in Mathematics program, affiliated with University of the Punjab, is designed for those students who want to pursue studies in the field of Mathematics. The degree assists students to enhance their quantitative skills, highly valued for a mathematician, paving way for a career in the public and private sectors. The designed program is according to the scheme of studies approved by the Higher Education Commission (HEC) of Pakistan to assure the quality education and equalize it with national and international standards. The graduates of this programme can pursue for further studies, or work in finance, consultancy, advertising, management, banking, marketing, accountancy, commerce, education, research and IT.

Eligibility Criteria: F.Sc. (Pre-Engineering) or I.C.S with Maths and physics.

Faculty of Social Sciences and Commerce

Social Science deals with the human behavior and socio-cultural aspects of the society. Social Sciences cover a wide range of subjects including Economics, Education, History, Pakistan Studies, Political Science, International Relations, Psychology and Sociology. The Faculty of Social Sciences plays a key role at the heart of Govt. Jinnah Islamia College, Sialkot. The interdisciplinary general education courses are offered through the department where emphasis is laid down on the cultivation of critical skills (in reading, writing and thinking) amongst the students. Our faculty comprises of social scientists who are self-motivated and committed not only to nurturing students but also contribute to the development of the region and the world. It comprises four departments which offer intermediate and undergraduate programs. This College offers admissions at intermediate level in the following disciplines of social sciences.

- Department of Commerce
- Department of Economics
- Department of Education
- Department of History
- Department of Health and Physical Edu.
- Department of Political Science

Furthermore, the college offers BS Four Year Degree Programme (BS-FYDP) in following disciplines:

- BBA
- BS Economics
- BS Education
- BS Political Science

Department of Commerce

Mr. Waseem Rana
H.O.D. / Assistant Professor

The Department of Commerce has evolved as one of the flagship departments of this college that is providing the young learners with a profound understanding of theoretical and practical aspects of the Commerce through a viable educational environment that tends to enhance both research and analysis skills of the students.

Presently, this department is offering I.Com and BBA programs.

Bachelor of Business Administration (BBA)

This program is being introduced in 2021. The Bachelor of Business Administration (BBA) program inspires you to explore our unique leadership vision, avail yourself opportunities for hands-on learning and have a chance to study abroad. The program promotes a culture of internationalization with

important stakeholders and actively introduces best business practices through collaborations, conferences, workshops etc. For further details, contact HOD office.

Department of Education

Department of Education at this college is fully aware of the emerging demands and corresponding methodology and vigour to fully respond to the call of hour. Learned and dedicated faculty at this college typically focuses on one dedicated subject-area teaches well-rounded skills to lead students academically throughout their education career. Currently, this department is offering courses to HSSC students and BS program to undergraduate students.

Mr. M. Munir Qadri
H.O.D. / Associate Professor

BS Education

This program is being introduced in 2021. Quality teacher education is crucial for the achievement of the millennium development goals and development of a society. The discipline of education develops a broader perspective among its students to prepare them for leadership roles to bring about positive social change in the educational institutions and society. The Faculty of Languages & Religious Studies

The Faculty of Languages & Religious studies offers diverse fields of study as national and foreign languages, literature and religion. Our scholarly research is central to the challenges of the day such as religious intolerance, insecurity, class gap, minorities' rights, gender and racism. There is a growing demand for the humanities' expertise in literatures, cultures, religions, languages, multilingualism, and multiculturalism. We aim to create leaders through developing intercultural competence. We want to promote and protect democracy, ethics, freedom of expression, and human rights.

We believe that all the languages, cultures and religions of the world are a common heritage of humanity. Through learning the languages and religions of one another, we will be better able to develop a deeper understating of human beings and challenges faced by them. This will provide us with the opportunity to find the ways for peaceful co-existence and wellbeing of the people across the globe. The main objective attached to initiating Center of Excellence for Languages and Religion is to enhance the cross cultural communicability. Department of Persian

The Persian Language is one of the most famous, sweet and renowned literary languages in the world. This language has played an important role in the world history as a communication language throughout central Asia, Iran, Afghanistan and the sub-continent for centuries. As an important asset of Muslim wisdom and Muslim literary genius, Persian still holds a conspicuous position. In our region also Persian language and literature have been playing important role as Persian has remained our official and court language for centuries while most of our scholars had been expressing their thoughts in Persian poetry rather than in prose. Pakistan has a historic relationship with the Persian language and has a rich heritage in this language. To keep in touch with our cultural and literary heritage, the teaching of the Persian language is very essential. Apart from the importance of Persian language in strengthening cultural, linguistic and spiritual links with Iran, Afghanistan and other Central Asian Republics, the department has been instrumental in preserving the cultural spiritual values of our country. This department is offering Persian language course to HSSC students and introductory course to undergraduate BS (FYDP) students.

Department of Islamic Studies

Modern times have brought many new challenges for humanity and especially for the Muslim world. Unfortunately, traditional institutions have failed in catering and contributing viable solution to religious challenges in the contemporary era. The department of Islamic Studies with the same vision and objectives is putting strenuous efforts to produce learned graduates with an ample grip on traditional and contemporary issues for society to promote religious tolerance, interfaith harmony and to remove gender inequalities wrongly attributed to Islam. Research-oriented lectures, conferences, seminars, academic visits and other related activities along with faculty's pursuit for higher education is a commendable feature of this department. The department is currently offering course of Islamic Studies to HSSC as well as undergraduate students for BS (FYDP).

Intermediate Programme (HSSC)

Higher Secondary School Certificate (HSSC) is Pakistan's popular qualification for 16 to 18 years old. The Higher Secondary School Certificate, also known as HSSC, is a public examination conducted by Boards of Intermediate and Secondary Education in Punjab (Pakistan). After passing SSC, the Higher Secondary School Certificate is granted in Science, General Science and non-Science programs. The students studying in Science programs are awarded Faculty of Science (F.Sc.)

in which the students choose their Pre-Engineering, Pre-medical. Whereas, in General Science, Computer Science related programmes are offered. For students who want to pursue their career in Social Sciences and Humanities, HSSC provides Faculty in Arts (FA) which is a holistic approach of all the contemporary social sciences subjects.

Curriculum: HSSC curriculum offers a variety of routes for learners with a wide range of abilities, along with the ways that can help them to refine their abilities and skills. The syllabus is set by Board of Intermediate and Secondary Education, Gujranwala (BISE). The curriculum usually includes a combination of seven courses including elective and compulsory subjects.

HSSC is two year duration education and examination is held by BISE Gujranwala annually for each year. The certificate is awarded on the basis of Part-I and Part-II examinations comprising 1100 marks in total. The students failing in Part-I examination cannot repeat it; but have to reappear along with their Part-II examination.

HSSC at Government Jinnah Islamia College, Sialkot

Govt. Jinnah Islamia College, Sialkot caters distinctive academic choices ranging from Faculties i.e. Science, Computing and Information Technology, Social Sciences Commerce and Business Management Studies, Languages & Religious Studies and Physical and Sports Science at the Intermediate level. Co-curricular Activities

Govt. Jinnah Islamia College, Sialkot values the place of an extensive co-curricular programme. The College encourages each student to be involved in some aspect of school or community life. Research clearly shows that this level of involvement promotes within our young people a sense of belonging, which in turn develops within our young men and women the trait of resilience. These opportunities are ways of promoting engagement; as well as enriching a student's learning and personal development.

Sports

Students can participate in co-curricular Sports activities such as cricket, football, hockey, badminton etc. The College also participates in district, division and provincial level competitions. In addition, the College participates in the Intercollegiate Sports competition conducted by BISE Gujranwala. The College is also a member of Sialkot District Sports Board, and through this association, students who excel, can elect to trial for District, Regional, State and National teams, depending on the Sport. The College looks for opportunities to nominate in a number of state-wide competitions. The sports activities are governed through a “**Sports Board**” of the following members.

Literary Societies and Debating Clubs

The College provides many opportunities for students to participate in literary activities. Those students who have ample potential to perform in various activities like Qiraat, Naat, speech, debate, national songs and essay writing etc. may contact to the concerned in-charge. Our students brought fair name to our college while participating at different levels of competitions. Besides, students can also get membership of different societies organized by departments. These societies enhance the exposure of the students in respect of practical life. A panel of professors ensures their guidance for all literary activities.

Facilities

جنتاح اسلامیاہ کالج

جنتاح اسلامیاہ کالج، سیالکوٹ کا قیام 1951ء میں محترمہ فاطمہ جنتاح سے افتتاح کے بعد عمل میں آیا۔ جب یہ ادارہ وجود میں آیا تو یہ شہر میں عمومی علوم کا دوسرا جبکہ قیام پاکستان کے بعد سکول سے فارغ التحصیل طلبہ کے لیے پہلا کالج تھا۔ اپنے قیام کے بعد محدود وسائل ہونے کے باوجود یہ کالج ہر سال طلبہ کو اپنی طرف متوجہ کرنے میں کامیاب رہا اور یہی وجہ ہے کہ ہمارے طلبہ دور حاضر کے تقاضوں سے ہم آہنگ ہو کر ترقی کی راہ پر گامزن ہیں۔ ترقی کے اس سفر میں گورنمنٹ جنتاح اسلامیاہ گریجویٹ کالج سیال کوٹ آج دنیا کی بہترین یونیورسٹی "پنجاب یونیورسٹی لاہور" کے 13 مختلف بی ایس پروگرامز میں ایم فل، بی ایچ ڈی اساتذہ کی زیر نگرانی طلبہ و طالبات کے لیے صبح اور شام کی کلاسز کا انعقاد کر رہا ہے۔

بدستور فروغ پائی اس ٹیکنالوجی کے دور میں جس نے اس دنیا کو ایک قریہ عالم بنا کر رکھ دیا ہے ضرورت اس امر کی ہے کہ ہم اپنے خیالات کو معیاری تعلیم اور انسانی اقدار سے پیوست و مربوط رکھیں۔ یہ وہ چیز ہے جو رقم یا اثر و رسوخ سے ہونے سے تو رہی، اس کیلئے حقیقی علم اور فہم و ادراک کی ضرورت ہے۔ عالمگیر سطح پر یہ حقیقت معروف اور تسلیم شدہ ہے کہ فوجوان طلبہ نے ثابت کیا ہے کہ وہ اپنی اپنی حکومتوں، اپنے اپنے ممالک اور اس کرد عالم کی بہتری کے لیے کردار ادا کر سکتے ہیں۔ یہ ایک مسلمہ حقیقت ہے کہ تعلیم میں مواقع کو پہچانے اور اپنا تے بغیر دنیا سے جنگ و جدل کی نیا دوں کو مکمل طور پر ختم نہیں کیا جاسکتا۔ ایسے اذہان پیدا کرنے کی ضرورت ہے جو ٹیلنٹ اور مہارت سے لیس ہوں تاکہ پرامن دنیا کے تقاضوں کو درپیش چیلنجوں کا سامنا کر سکیں۔ یہی اس کالج کے قیام کی بنیاد ہے۔ ترقی اور دنیا کی بہتری میں اپنا کردار ادا کرنے کے لیے اس کالج میں داخل ہونے والے طلبہ کی کامیابی کے لیے دعا گو ہوں اور امید کرتا ہوں کہ وہ کالج میں اپنا عرصہ قیام بہترین طریقے سے استعمال کریں گے اس کی ان سہولیات سے استفادہ کریں گے جو اس عزم کے ساتھ فراہم کی گئی ہیں کہ "یہاں سیکھنے کو آئیے اور یہاں سے نکل کر خدمت خلق کو جاسیے"

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ

اوروں کا ہے پیام اور میرا پیام اور ہے
عشق کے درد مند کا طرز کلام اور ہے

گورنمنٹ جناح اسلامیہ کالج سیال کوٹ کا شمار پاکستان کے اُن عظیم و قدیم علمی مراکز میں ہوتا ہے جو علم و دانش کی روشنی سے اپنے قرب و جوار میں اُجالا پھیلا رہے ہیں۔ اس کالج نے صاحبِ علم پرنسپل پروفیسر ڈاکٹر مجاہد بخاری اور اساتذہ کرام کی بصیرت اور ان تھک کوششوں سے تیزی سے ترقی کی ہے اور کامیابی کا یہ سفر جاری و ساری ہے۔ حال ہی میں جناح اسلامیہ کالج میں متعدد شعبوں میں بی ایس کلاسز کا اجرا نہایت قابلِ تعریف اقدام ہے، جس سے سیکوٹ شہر اور اس سے ملحقہ آبادیوں کے طلباء و طالبات کو اُن کے گھروں کے پاس تعلیم کی فراہمی ممکن ہوئی ہے۔ یہ اقدام علاقے کی سماجی و اقتصادی ترقی میں اہم کردار ادا کرے گا۔ جناح اسلامیہ کالج نے طلباء و طالبات کو تعلیم دینے کے ساتھ ساتھ ان کی غیر نصابی اور ہم نصابی سرگرمیوں کو اہمیت دی ہے جس سے طلبہ میں اعتماد پیدا اور مل جل کر کام کرنے کا سلیقہ و ہنر حاصل ہو رہا ہے۔

طلبہ کی ادبی و ثقافتی نیز تحقیقی و تصنیفی صلاحیتوں کو جلا بخشنے کے لئے شعبہ اردو نے سشتمائی رسالے ”چراغ“ کا اجرا کیا ہے۔ اس رسالے کا پہلا پرچہ شائع ہو کے علمی و ادبی حلقوں میں بھرپور پذیرائی حاصل کر چکا اور دوسرا سالہ زیرِ اشاعت ہے۔ اس شمارے میں عمدہ مضامین قارئین کی دلچسپی کا باعث ہوں گے۔ مجھے جناح اسلامیہ کالج میں بی ایس ۲۰۲۰ سیشن کی افتتاحی تقریب میں شرکت کا موقع ملا، یہ تقریب بہت خوبصورت اور علمی انداز میں منعقد کی گئی، جس سے میرے لئے یہ اندازہ لگانا ممکن ہوا کہ کالج کی انتظامیہ اور طلبہ ڈسپلن، قانون و قاعدے اور روایات کی پاسداری کرتے ہیں۔ تقریب میں سیال کوٹ اور اس سے ملحقہ علاقوں کی نمایاں سیاسی، سماجی، ثقافتی اور علمی شخصیات نے شرکت کی۔ جس سے یہ ثابت ہوتا ہے کہ ادارہ علاقے کی سماجی ترقی میں اپنا بھرپور کردار کامیابی سے ادا کر رہا ہے۔

میں جناح اسلامیہ کالج سیال کوٹ کے پرنسپل جناب ڈاکٹر مجاہد بخاری، اساتذہ، انتظامی افسران و ملازمین اور طلبہ کو مبارک باد کہتا ہوں کہ ان کی شانہ روزِ محنت اور لگن سے کالج تیزی سے ترقی کر رہا ہے۔ امید ہے ترقی و پیشرفت کا یہ سفر جاری رہے گا۔
